September 15, 2015

School and Religious Education Secretaries,

Please provide the following information to those who wish to take the Virtus Online Training. Please ask them to go to the Diocesan Website (see link below) on the right side of the page they will see the Virtus instructions. If they follow the instructions exactly they should not have any problem registering and accessing the training module. Remind them to go to our website before they go to the Virtus Website. The VirtusOnline Website was not set up for online training; therefore they will need to follow the instructions to locate the online training module.

<http://www.rockforddiocese.org/Education>

Thanks so much for your assistance. We have too many people who are not able to get through the training without this information.

Sincerely,

Ann Hickey
