**Mark each box below and sign to affirm the following as essential to your role in Catholic education.**

- To support the Catholic education we desire for our family, we will attend Mass every weekend and be active in our faith and faith community as an example to our child(ren), following through with what is learned in school. *(Note: Non-Catholics should also support the enrichment of faith for their family through the Sunday service they choose each week.)*
- We embrace our role as being the primary educators of our child(ren), bearing witness to this responsibility by creating a home where tenderness, forgiveness, respect, fidelity, and selfless service are the rule (CCC 2223).
- We will make ourselves available to attend school orientation programs, parent-teacher conferences, Home & School meetings and other school events.
- We will furnish the school with all medical, dental, psychological and other pertinent information that teachers need to know to understand the capabilities and limitations of our child(ren).
- We will give parental supervision of recreational activities to ensure that our child has ample opportunity to complete assignments and get the sufficient rest necessary to perform to his or her capabilities in school.
- We agree to support St. Mary Catholic School through prayer, positive relationships and the giving of our time, talent, and treasure.
- We will do our best to plan family vacations with consideration for the school calendar.
- We will be supportive of the school and teachers in front of our child(ren).
- We will be accepting of the discipline code of the school by viewing it as a growth instrument in our child's best long-term interest. We will work together to help our child accept responsibility for his/her actions.
- We will read the Parent-Student Handbook, accept the regulations and policies, and agree to discuss appropriate areas with our child(ren).
- Recognizing the value of a direct approach, we will contact the teachers to schedule a conference as soon as we feel a problem exists.
- We will work with our child(ren) and teachers to promote a school community filled with mercy and love.
