

St. Mary Altar Server Permission Slip

My child _____ has my permission to be an altar server at St. Mary church. I understand they can sign up for whatever Masses they choose. Mass sign up can be done either through Sign Up Genius on the church website or by calling Adalia Popoca at 815-575-0737 or apopoca@stmary-woodstock.org.

I accept the responsibility for making sure they are at the mass they have signed up to serve at least 15 minutes prior to the start of Mass.

My child also has my permission to attend the Altar Server Training session on Thursday, January 20 at 3:00 in the afternoon. This training will run for 1 hour and I will need to make arrangements for my child to be picked up from church at that time. I understand that my child cannot sign up to serve a Mass until they have been through the training.
